

## Straight to the Back

Cam Meekins

I walked in and went straight to the back  
Put my face on the map  
I be straight wearing matte, let's go  
Can't you see I got taste with the swag  
I ain't chasin' the bag, I be rakin' the cash, "Hello?"  
Baby girl, she plays time  
Need some ash, she a dime  
'Bouta pass, got a line on some hash, I'm gone  
Do it for the bad times that I had, only bars where I'm mad  
Now the diamonds in the flask, you know?

She looked at me so cold, get a face ache, ay  
Had a deal, now I'm finally released, ayo  
All they did was try and find me some beats, oh  
But I already got the mother fucking heat, uh-huh  
Growing up, I made bens selling weed, uh  
I'ma do what I need to succeed, uh-huh  
I'm so passionate that it bleeds, ay  
Remember, used to sell tickets for Leeds, uh  
Only people from the Bean know what I mean, ay  
R.I.P, I got Nikes on my feet, uh  
Back in 2010, I was gettin' it in  
17, I'm in the game learning how to swim  
Had to figure out the business so I got with Tim  
Fuckin' bitches, tellin' them I'm gon' be Eminem  
I be in the hotel with all your friends  
I'ma still do whatever to make the records spin  
She said she hallucinating off the pot, uh  
I laughed and agreed with her, but she not, ay  
I don't really got no time for no thots, ay  
Money long, I will buy me some stocks, ay
