What you now about me

When I met my man Tommy
I knew that he was the bommy
On D he would stop me
An in and out he would copy
My order was sloppy
He had the animal sauce
I had the double cheeseburger man, no one could stop me
I got three of his credit cards
Out in my car
And he ain't asked for them or get em at all
That's a real ass dog
Buying McDonald's for us

And now that he's gone
Man, now there's mad heads I'mma bust
But TJ you're my dude
Roll a spliff when you came
Push the Mercedes you know in every lane
And I know you my dude, so pick me up you do
And roll a spliff or maybe two

But why no come around with spliff no more
I wish that I could bring you on tour
But when I get back we gonna light em up
And kick a freestyle never write em up [x2]

Hey check it out man I'm hot like sauce
The smoke from the lyrical blunt made me [*cough*]
I still flip sips to pay for my gas
So this for everybody in the sticks that trap
When I light I'm light
When I write I ran
I like my girls with yoga pants
Don't know where I'm going
But I know where I am
Fuck it man

Every time you come through
You roll a spliff for two
Every time you come through
You roll a spliff for two
Yeah TJ you're my dude
Thanks my dude
