

Visions

Cam Meekins

Faded way too long
Faded way too long girl, girl
Girl I've been faded way to long
Faded way to long girl, girl

I've been faded way to long girl
Know these verses turn you on girl
Won't you come out after dawn girl
I'm driving in that car girl

They know that I'm a star yeah
My paper getting long yeah
You taking way to long yeah
I'm trying to see that thong yeah, yeah

Take a trip with me girl I ain't talkin' Paris
Said that I'm a rapper to your parents ain't embarrassed
Most of these rappers is funny in Paris
Cause I run the game and you know I ain't sharin'

Coolin' with 10's or 11's in Cali
You smokin' 10 dollar sex in the alley
I do not give a fuck pay me your down b
Cause I'm gonna to make it and laugh at you loudly

Text from G-Eazy said, "I'm gonna get it"
Long as I stay focused, always am with it
Meant a lot to me that he took the time
'Specially when his fan base bigger than mine

Smokin' and rollin' no drinkin' and drive
Holdin' my hand while we takin' a ride
Everyday out here I'm feeling alive
Offer these drugs see the red in her eyes

Back in the Bean we would kill this shit always
Me and Joel forcin' shit in the hallways
Now we on tour and we did this shit our way
Never stop workin' that's values my mom made

Yeah, visions and dreams gettin' doper
Bitches and jeans in that new tester roaster
Makin' a million is actually closer
Just keep it 100 and I'm gonna show ya
Lyrics so dope that they might even quote ya
Takin' the shot ain't no need for the soda
All of these bitches is honeys it's over
While you cannot find your remote in the sofa

It's real, verses it's always real
Reflections on how I'ma always feel
And I do not do this all for the mils
Just wanted to show you that someone's here

I'm faded way to long
Faded way too long girl, girl
Girl I've been faded way too long

Faded way too long girl, girl

Faded way to long

Faded way to long girl

I've been faded way too long

Faded way too long girl

I've been faded way too long

Faded way too long girl

I've been...
