

# Forgiven

Cam

You see  
The look in me  
The look of love in you  
Can't you feel  
It's not easy  
Let it go  
You don't have to save me  
Clearly  
And I don't have to hurt you  
Dying

It's meant to be  
'Cause it won't be [?]

Let it all be forgiven  
Let it go  
Let it all be forgiven  
Let it be  
Let it all be forgiven  
Let it go  
Let it all be forgiven  
Let it go
