

Hatchway

Cam

All the times I said I knew
Behind those closed curtains who are you

Do you need an escape?
I'll be the hatchway for you
Do you need an escape?
I'll be the hatchway for you

And the days, they come and go so slowly
So slowly
I'll be alone
Ah...

Do you need an escape?
Do you need an escape?
I'll be the hatchway for you
