

We Always Do

Cam

We'll think of something, we always do
We may not agree, but we'll make it through
Where we'll end up, I don't have a clue
But we'll think of something, we always do

You let me storm off to avoid the monsoon
You know I can't sleep in the other room
Don't know the future, but I know it's true
That we'll think of something, we always do

When you look in the mirror and see someone new
I will be here to remind you of you
We might lose our minds, we might get confused
We'll think of something we always do

Don't you give up on me
I won't give up on you
Don't you give up on me
I won't give up on you

Try
Oh, you gotta be trying
Try
Try
Try
