

Rose Of Sharon

Camel

Love, are you awake or are you sleeping?
I'm so excited I could die...
starting out our lives.
Must make some plans for the future
now we need to settle down...
make a home our own.

What we gonna do when the baby comes?
It won't be long.

Love, am I awake or am I dreaming?
I'm so excited I could cry.
At times I'm so afraid.
Say you'll get a job
and never leave us...
Though I know you'll make it right,
Find a better life.

What we gonna do when the baby comes?
It won't be long.

Don't you ever go,
say you'll never leave
Promise you won't ever leave.

Don't leave me,
We need you.
Rose
I will try to settle down but
I can't tell the future
Rose
I will try to stay around but
I don't know the future

Oh Rose,
you'll never know,
just how much I need
you so.

Oh Rose, you'll never see
Just how much you mean
to me

But Rose,
This road is so hard and long
and I just can't say.
