CamelPhat

I can make you dance
Come on
Came on

I can make you dance
Come on
I can make you dance, baby
I can make you move
I'm gonna make you dance, baby
I'm gonna make you move
I can make you dance, baby
I can make you move
I'm gonna make you dance, baby
It'll keep you rocking all night

Just dance
I can make you dance
That's right
Come on
You can get down with this groove
It's simple
Come on

I can make you dance, come on
Come on
I can make you dance, baby
I can make you move
I'm gonna make you dance, baby
I'm gonna make you move
I can make you dance, baby
I can make you move
I'm gonna make you dance, baby
It'll keep you rocking all night

Come on
It'll keep you rocking all night
I can make you dance, come on
Come on
It's simple

I can make you dance, baby
I can make you move
I'm gonna make you dance, baby
I'm gonna make you move
I can make you dance, baby
I can make you move
I'm gonna make you dance, baby
It'll keep you rocking all night

I can make you dance
