

Dance with My Ghost

CamelPhat

It's in my room
The way I know
Dance with my ghost
Dance with my ghost
Ay no, I won't
My love now

Dance with my ghost
Dance with my ghost
It's in my room
The way I know
Dance with my ghost
Dance with my ghost
Whenever I'm on my, own I
Sway and dance
Oh, dance with my ghost
Dance with my ghost
Dance with my ghost
Dance with my ghost
Dance with my ghost

Dance with my ghost
Dance with my ghost
Ay no, I won't
My love now

Dance with my ghost
Dance with my ghost
It's in my room
The way I know
Dance with my ghost
Dance with my ghost
Whenever I'm on my, own I
Sway and dance
Oh, dance with my ghost
Dance with my ghost
Dance with my ghost
Dance with my ghost
Dance with my ghost
