

Magic Stick

CamelPhat

Do It
Take a ride on the magic stick

If I can stick, can I lick?
Take a ride on the magic stick
We do what we do then we have fun
So much fun that you didn't wanna come
If I can stick, can I lick?
Take a ride on the magic stick
We do what we do then we have fun
So much fun that you didn't wanna come
So much fun that you didn't wanna come

If I can stick, can I lick?
Take a ride on the magic stick
But I say, come on
Oh
Woo!
So much fun that you didn't wanna come

Woo!
Oh
Burnin'
Do it

If I can stick, can I lick?
Take a ride on the magic stick
We do what we do then we have fun
So much fun that you didn't wanna come
If I can stick, can I lick?
Take a ride on the magic stick
We do what we do then we have fun
So much fun that you didn't wanna come
So much fun that you didn't wanna come
