

Oblivion

CamelPhat

I'm on the edge, watching the night
Caught between their world and mine
I'm seeking peace
But they won't let me be
Liberation knows no fear
I can feel it getting near
Like the air I breathe
It's surrounding me

As I fall into oblivion
Won't stop myself now, I'm sinking in
Oh, no obstacles, I'm letting go

As I fall
As I fall
As I fall
As I fall
I'm letting go

Used to be inside my head
Lost within the emptiness
But now I'm free
Oh, so complete

As I fall
As I fall
As I fall
As I fall

As I fall into oblivion
Won't stop myself now, I'm sinking in
Oh, no obstacles, I'm letting go
As I fall into oblivion
I'm losing grip now, I'm giving in
Oh, no obstacles, I'm letting go

As I fall
As I fall
As I fall
As I fall
As I fall
As I fall
I'm letting go

I'm letting go

As I fall
As I fall
As I fall
As I fall
