CamelPhat

Comes and goes  
Action, reaction  
Staying afloat  
Burning attraction  
I can see through the smoke  
You're the one thing I need  
But won't bring me no peace  
Oh, my darling  
My darling

Mmh...  
My darling  
Mmh...

Oh my, oh my  
Oh my, oh my  
Oh my, oh my  
Oh my, oh my (oh)  
Oh my, oh my  
Oh my, oh my  
Oh my, oh my  
Oh my, oh my  
Oh, my darling

Comes and goes  
Action, reaction  
Staying afloat  
Burning attraction  
I can see through the smoke  
You're the one thing I need  
But won't bring me no peace  
Oh, my darling

My darling, my lover  
My keeper, my savior  
Ease my love that I'm craving  
The prime obsession  
Might lose my head  
Confuse myself  
You're the one thing I need  
But won't bring me no peace  
Oh, my darling  
My darling

My darling, my lover
