

Now it's all over me
Sound is in color
Spectrum of love
Heart is a shelter
And you're holding my hand
All in together
Spectrum of love, hm

I've seen it all
Seen it all
Through the spectrum, spectrum
And I've seen it all
Now I've seen all
Through the spectrum, spectrum of love

Hm
Spectrum of love
(Spectrum, spectrum, spectrum, spectrum)
(Spectrum, spectrum, spectrum, spectrum)
Hm
(Spectrum, spectrum, spectrum, spectrum)
(Spectrum, spectrum, spectrum, spectrum)
Spectrum of love
Now I've seen all
(Spectrum, spectrum, spectrum, spectrum)
(Spectrum, spectrum, spectrum, spectrum)

Now it's all over me
Sound is in color
Spectrum of love
Heart is a shelter
And you're holding my hand
All in together
Spectrum of love, hm

I've seen it all
Seen it all
Through the spectrum, spectrum
And I've seen it all
Now I've seen love
Through the spectrum, spectrum of love

Hm
(Spectrum, spectrum, spectrum, spectrum)
(Spectrum, spectrum, spectrum, spectrum)
Spectrum of love
(Spectrum, spectrum, spectrum, spectrum)
(Spectrum, spectrum, spectrum, spectrum)
Hm
(Spectrum, spectrum, spectrum, spectrum)
(Spectrum, spectrum, spectrum, spectrum)
Spectrum of love
Now I've seen all
