

## What A Day

CamelPhat

You turn your head to look away  
Just look away  
Two tears on a heavy face  
Don't you wanna feel the pain  
Same head in a different space  
We're in a different place  
And I threw my heart away

Through you couldn't, but you missed it  
Thought you held it, but you didn't  
Can't you hear me, are you listening  
Can you hear me, are you listening, aah

What a day, what a day, what a day  
What a day, what a day, what a day  
(What a day, aah)  
What a day, what a day, what a day  
What a day, what a day, what a day

What a day, what a day, what a day  
What a day, what a day, what a day  
Oh, what a day, what a day, what a day  
What a day, what a day, what a day

What a day, aah
