

# Aphrodisiac

Cameo

Oh, why don't you, why don't you...

The sensation is here, the vibration is clear

You really put me in the mood

You're my aphrodisiac, chills go down my back

When I'm on the dance floor with you

Come on girl, dance

(dance)

Oh

Smurf me!

Dance!

(dance)

You make my body hot, don't ever stop

Just put your hand right here, we will not have to fail

Just put me to your mood, use stuff I have to use

Just let me hear you say, you can have it your way

I know what I'm ready to do

(I know what I'm ready to do, yeah)

I've got to do what I have to do

Oh

When I need to dance, my pressure starts to rise

And then I hear the words that always takes me high, like

I wanna have this dance with you

I wanna shake and bake with you

You're a lean little lady, you drive me crazy

I wanna dance with you

Uh, come on

I know what I'm ready to do, yeah

(I know what I'm ready to do, yeah)

I've got to do what I have to do

Oh

Step on my neck, girl

Please let me do what I have to do (Please let me do what I have to do)

Oh

Let us play:

[Instrumental Outro]
