

Better Days

Cameo

I like the way you make me feel
Honestly I do, I do
You make me cry every time you say goodbye, and the chances are

I'll never get to see you again, no
No one said life was easy, oh no
There's nothing I can do, but blow a kiss, and hope for better days.

Better days, oh yeah
Oh yeah, yeah yeah yeah, better days
I like those better days
You like those better days, oh yeah

You know I'm going to try to persuade you, yeah
Cause without your lovin I can't make it, no I can't
Your personality blows my mind

Tell me why, you had to say goodbye
Do you know if I'll see you again, my friend
Better days, come show me the way
But for now, we'll blow a kiss and hope for better days

Better days, oh yeah
Oh yeah, yeah yeah yeah, better days
I like those better days
You like those better days, oh yeah
