

# This Life Is Not for Me

Cameo

This life is not for me  
No  
No  
As far as I can see  
No  
No  
This job is all I see  
Oh  
No  
There must be more for me  
(Yeah)

Boogie with my baby is what I need to do  
But I'm stuck in this place with a jive interview  
I need to party to circulate my blood  
With Bobby, Kim and Sue and the rest of the crew  
Don't tell me your problems, I've got some for myself  
'Cause who's gonna love you if you don't love yourself  
That foot-stomping rhythm will take care of my ails  
'Cause there's much more to life than paying bills

This life is not for free  
No  
No  
You'll turn into a freak  
Oh  
No  
This ain't the place to be  
No  
No  
As far as I can see  
(Yeah)

Taking care of business is the only thing we know

'Cause no matter what the weather we say 'On with the show'  
It ain't no secret to the magic that we make  
When we look in the crowd and see the smiles on their face  
The atmosphere's electric, 'cause we really take charge  
When we come on right after Bobby DeBarge  
That foot-stomping rhythm will take care of my ails  
'Cause there's much more to life than paying bills

This life is not for me  
No  
No  
As far as I can see  
No

This job is all I see  
Oh

There must be more for me
