

Look to the East, Look to the West

Camera Obscura

Kids on the corner
Catching Pokémon
In a strange kind of way
Life it goes on and on
So I'll buy you some roses
Even though you're never here
I chose orange, can I watch you brush your hair?

Blow me a kiss
Read my tarot cards tonight
I'll bring champagne and clementines
Tell you everything's alright
A dark time in history
But never a gloomy day
White with snow, sunshine
I'll blow your blues away

Ah-ah-ah
Ah-ah-ah
Ah-ah-ah

Look to the east, look to the west
Be a good girl
And try your best
Look to the east, look to the west
Be a good girl

First Sunday in Advent
I'm catching the break of day
The audience will leave the room if we don't
Change our ways
Why wasn't I flattered for the thing you had for me?
You're one in a million, this I see

Ah-ah-ah
Ah-ah-ah
Ah-ah-ah

Look to the east, look to the west
Be a good girl
And try your best
Look to the east, look to the west
Be a good girl
