Tiktok I see your videos on Tiktok  
And I like how you carry yourself no insults  
Oh baby you are well brought up from home  
Yeah yeah yeah yeah yeah

By default oh by default I for like to hold you down  
I for like to show you nicer things inside me yeah  
Oh baby mega hesitate oh eei  
That's why

I'll be available available  
I'll be available available to you yeah  
Anytime you want me you can have me yeah  
(You can have me anytime)  
I'll be available available  
I'll be available available to you yeah  
Anytime you want me you can have me yeah

Shake it  
Me I love it plenty  
Make you no dey give me plenty trouble  
I go love you jeje  
Every time I want to hold you  
Nobody go fit come close you  
Tell me all of your fears I go carry  
I go give you all the chances  
You give me something something  
Something I no get before  
I go try for love yeah  
I go die for this love yeah  
Anytime that you need me call me up  
Girl we no go freeze we warming up  
I'll be available

I'll be available available  
I'll be available available to you yeah  
Anytime you want me you can have me yeah  
(You can have me anytime)  
I'll be available available  
I'll be available available to you yeah  
Anytime you want me you can have me yeah

Na manya lo (na manya)  
Na manya lo (na manya)  
If something dey bother you na manya lo  
And I go stand in and fight for you  
And I go stand in and fight for you  
Menye alakpa damelewo

Me nfa woekye ndi agoro  
Every evening mpaebo  
So we go drive away bad luck  
And if there's a thing that I cannot  
I will say to you say to you  
We go handle am together  
Yeah that's why

I'll be available available  
I'll be available available to you yeah  
Anytime you want me you can have me yeah  
(You can have me anytime)  
I'll be available available  
I'll be available available to you yeah  
Anytime you want me you can have me yeah
