

Low Key

Camidoh

Yeah
Midoh
Smoke some loud
Wait on Jah
Do it lowkey
Cause where we going is far
We do it lowkey
Yeah yeah
We do it lowkey
Do it lowkey

Do it now, do it lowkey
Everything we do be lowkey
Money wey we make be lowkey
Fine fine shoddies lowkey
Big big mansions lowkey
Living lowkey
Badman living lowkey
Internationally say dem know me
Money no be my P
All praise to Jah mighty
All praise to Jah Jah mighty

Fine woman give me loving
And Jah Jah blessings on me
All of them no be my size
They no fit to quench my light
Them no fit beat my record
When I spit it be fire
If they wan dey run they go tire
Zoom zoom zoom zoom zoom zoom
Zaga zaga zaga zaga zaga

Many many years ago in my mama belly
When the prophecy was told and my papa no wan take it
