

pretty when i cry

Camila Cabello

Put on my best dress to see you
You're sorry baby, me too
Least you see me like this when I leave you

I'm still pretty when I cry
Pity you don't want me
Pretty in this light
Glitter falling off me
Pink and blue, diamond eyes
Look at what you lost in me
Still pretty when I cry
Pretty when I cry

Pretty when I cry
Hot when I ride
Look this good out of spite
And burn it in his mind
I'm like, "Everything, everything cool as ice."
You just didn't wanna do me right, that's nice
And I'm in the mood to fight, let's fight
Ah, yeah

Ooh, ah (Oh, yeah)
Make my brown eyes blue, ah (Oh, yeah)
Crazy déjà vu, ah (Oh, yeah)
Again dancing over you, ah, ah

I'm still pretty when I cry
Pity you don't want me
Pretty in this light
Glitter falling off me
Pink and blue, diamond eyes
Look at what you lost in me
Still pretty when I cry
Pretty when I cry

Pretty when I, pretty when I
(Cry)
Pretty when I, pretty when I, pretty when I
(I)

Unlimited when that sun sets, unlimited, oh, yeah
Unlimited when that sun sets, unlimited, oh, yeah
Unlimited when that sun sets, unlimited, oh, yeah
Unlimited when that sun sets, unlimited, I'm still

Pretty when I cry (Yeah)
Pity you don't want me
Pretty in this light (Yeah)
Glitter falling off me
Pink and blue, diamond eyes
Look at what you lost in me
Still pretty when I cry (Yeah)
Pretty when I cry

Pretty when I, pretty when I (Cry)
Pretty when I, pretty when I, pretty when I (Cry)

Pretty when I, pretty when I, pretty when I (Cry)
Pretty when I, pretty when I, pretty when I (Cry)
