

## Bubble Lady

Camille

Who made me a bubble lady?  
My billie buddy bittie baby?  
By bubbling bubbles in bed  
We knew  
My belly'd be round as a bell

Happy  
Bubbly you  
Bubbly me

Who will be our bubbly baby?  
Bubbling bubbles in my belly  
A little beetle or a bee  
A bird?

Maybe  
A bit  
Of you and me

Who made me a bubble lady?  
Bubbling along a bubbly be-  
Bop-a-lu be-bop-a-la  
Wobbly wobbly lullaby

Happy  
Bubbly  
Wobbly lady

Happy  
Bubbly you  
Bubbly me

Happy  
Bubbly  
Babbly baby
