

## Wet Boy

Camille

Swim along the stream along the shore  
Seek between my thies a hidden fall  
Sink and swallow

Wet boy  
Do you know what it feels like to be  
Wet

Crawl against the wind inhale the salt  
Drown and let it melt inside my throat  
Deep and shallow

Wet boyy  
Do you know what it feels like to be  
Wet

More water to the world  
More water to the seas  
More water to the ground  
More water to the child I carry

More water to my womb  
More water to my brow  
More water to my eyes  
More water to the man I'll marry

Wet boy  
Do you know what it feels like to be  
Wet
