

Playing with the ice  
We have rolled the dice  
Thought you wanted me  
For life you said ride or die man  
I was ready to be your  
One and only wifey  
But wasn't ready for this big crisis  
Switchin' up the card  
Like I wouldn't notice  
Actin like you transparent  
Did you think I'd miss  
Pairing up with someone else  
You think that's gonna last  
I'ma make you pay  
The prices

Ayy panini where you at  
Eh my barbie I'm in my flat  
Well does your flat  
Mean another girl's crib  
Why you still actin like you love me

I didn't have no time  
When I met you  
You lead me to another  
Level maybe to the next level heaven  
Taught me all the stuff  
That I wouldn't have known  
If it wasn't you yeah  
You just came through  
If this another boy  
I'd just slap him out  
Game over don't need  
To really talk it out  
But it's you I'ma  
Chew everything all up  
'Cause if I just let you go  
I'ma choke myself

Don't you do this one more time  
My heart's all broke  
Don't you ever do this  
To me or I'll go  
Don't you ever leave me  
Don't you ever play with me  
Don't you ever um  
Don't you ever
