

Like Me

CamO

Gidaeneun jeokdanghi
Mugeoun saebyeokdeuri
Nareul garaanchyeosseotji
Yosaedo byeonhameopsi
But bank be growin'
And he ridin' on top of me
Huhoe ttawineun anhaji
Cheon iharon anhaji
This my world now countin' all week

Seen a bitch who do it like me
Spit like me
Talk like me
Think like me, yeah, ride like me, yeah
Seen a bitch who do it like me
Spit like me
Talk like me
Think like me, yeah, ride like me

If it's greater then it's harder to get
Break my heart I ain't never comin' back
Lose my trust I end this mess
I get pieces that you can't get
Give me one I'll give you two
Give me two I'll give you four
I've been busy 'cause I was on tour
Smoked it all, still need some more
Would you come pick me up?
Couldn't stay sober these days filled the cup
I think I fucked up from the start
I feel the hole in my heart

Gidaeneun jeokdanghi
Mugeoun saebyeokdeuri
Nareul garaanchyeosseotji
Yosaedo byeonhameopsi
But bank be growin'
And he ridin' on top of me
Huhoe ttawineun anhaji
Cheon iharon anhaji
This my world now countin' all week

Seen a bitch who do it like me
Spit like me
Talk like me
Think like me, yeah, ride like me, yeah
Seen a bitch who do it like me
Spit like me
Talk like me
Think like me, yeah, ride like me

Yeah, more colors, more dollars
Designer to the bottom
Any problems, keep it comin'
Gakkeum hwaneun yagi dwae
Biutdeon taedoga yeokjeoni dwae
12nyeon hani mak jiteojine

All they would do is just blame, blame, blame
'Cause that's way easier, they ain't got shame
And this whole pandemic
Shit was synergic
Felt like a damn good chemist
All alone like Kevin
I don't know how that happened
But I think this more like heaven

I be smiling but constantly, diving
Y'all depriving
Fuck, this is tiring
You're not inspiring
Your time's expiring
Hop on, puff off
Get money, work hard
Locked up, spend some
Make money, that's all
Maneun geon an barae
All I'm asking is keep up
Ajikdo seonmyeonghae
Geuttaeui ni pyojeong
