

Only You

CamO

Banbokaeseo deutgosipeo, you're my favorite song
Swipge haneun mal aniya, yeah you're the only one
That I would start the day
And the one I'd end the day

I just want to get to know you, please don't get me wrong
You don't trust in love, but lemme prove you wrong
Please don't run away
You make me stay awake
I think about you everyday
So lemme take you to the end

Gonna make things right
We both too fine
Better make it right this time

Wanna see us both in work
With you I hope it works
Bitch test me, not on my turf
