

Round & Round

CamO

You lift me up
Wasted one of my primes
But you came on time
You can always just hit me up
I'm ready to shine
Wanna call you mine
Everything feels right with ya
It's gonna be okay
Naega bwado sesangi cham yasokae
Don't you dare put yourself in a tough place
You're not alone, bae
Naega yaksokae

Dolgo dora mannanneunde deo baralge itgenni?
I've been down so many times
But now I'm livin' in my dreams (yah)

You just too fine in that Balenci trouser
All the worries throw a couple more thousands
Butterflies in my stomach, you're the flower
Satisfy me, make me go louder

Naneun geunyang salgo sipeo ppeonppeonhage
Tteutdaero doeji anneun ge saliltende
I can write a whole ass book about it
Gyeolguk sigan jina yagi doeeo dorawanne

I'm a pretty bitch, I don't need no make up
I feel good in my Givenchy flip flops
Pay attention watch me get into my paper
As I look around, and I see a bunch of fake hoes
If you my bro, we forever, see you later
I've been going outside cause I got missions
We been writing some stories non-fiction
We been counting that bread it's some addiction, hm

Dolgo dorado, nan neoegero
Dolgo dorado, dasi neoegero, ooh
Ooh-ooh, ooh-ooh

One mission kkeunnaeni tto mission
