

## Show Off

CamO

When I wake up in the morning  
It just pops up in my head  
After all this milgo danggim  
You just end up in my bed  
4 seasons all summer  
I got way too many bands  
I wear way too many brands  
Didn't mean to show off  
It's like love  
I didn't plan it  
Brand new  
Ripped out the plastic  
All cool  
My life's like magic  
Peep the numbers  
Know that I'm savage  
Ah, ah, ah, ah  
Without you  
It would be tragic  
Always surprised  
Like I never had it

Yeah I fuck with us tho  
You take me to places I aint been before  
Got me tired of these hoes  
So I switched up the floor  
Come & blow my mind  
Knock on my door  
Got 'em all sore  
Got 'em in control  
I just get better & better  
Getting it, spending it  
Hope I just don't get bitter  
These numbers just lighten my heart up  
I'll never go back jonjae geu jachero nan beoreo  
If I die today  
Even if I die today
