

All I did was add shit up
 So, I have to face my faults (hm, woo)
 Yeongwonhal geonman gatdeon
 Naui geudaeyeo
 Tteonajimayo, ooh

I had to just walk away
 From the things that would make me drain
 Bisugineun ttaro eopseo
 Mwol baraneungeoya deo (ooh)
 I told you to stay away
 I ain't got none to say
 Yeah, we all goin' off (we all goin' off)
 Like we all had enough (ll had enough)

Mwol deo yaegihae You just hope we break bread
 You just hope we make amends
 After all that shit
 You've seen that I don't miss
 All I gotta say is this
 Be careful what you wish

Oh, you tough?
 Oh, you really that posh
 I can see you in your bluff that I can eat you like lunch
 Oh, you 'bout that hush lemme keep your mouth shut
 Make you go back to your hut make you wish you hadn't done this period
 Uh, I can make you blush I can make u trust me
 Thrust in me, but I won't
 Uh, I don't trust none, and you ain't gotta trust me
 Lust over me, cause I'm done

Beoreusi nappajyeo, hoesaro meonjeo yeollakae
 Hal iri neomu mana neokkaji tto waeirae

 You just hope we make amends
