

# The Mountain

Camp Cope

He said his heart was on the wrong side of his chest  
Then placed my hand over it  
"Let me show you how vulnerable I am"  
Giant steps taken into my labyrinth  
I am compassionate

I run because the mountain will not come  
I run, run, run too close to the sun  
'Cause the mountain will not come to me  
Never comes to me

You asked me why I loved you (You asked)  
I said, "I can't help it, I just do  
There's something about you"  
Now I pull the sound around me and I sing myself to sleep  
You'll see how gentle I can be

When I run, because the mountain will not come  
I run, run, some things I can't get done  
'Cause the mountain will not come to me  
You'll see how gentle I can be  
Oh-oh, oh-oh

All you'll see  
Is all the love in me  
Yeah, I climbed the mountain blind  
I turned around to find  
A heart as complicated as mine  
You'll see  
All the love in me  
You'll, you'll see  
All the love, all the love in me
