

Our Time Is Here

Camp Rock

We're done but it's not over
We'll start it again after the end of the day
It keeps getting better
Don't be afraid we'll do it together

Come on, come on you know
It's your time to move, it's my time move
Come on, come on let go
Leave it all behind your past and mine

Gone are the days of the summer
We couldn't change it if we tried
Why would we want to, let's go where we got to
Our paths will cross again in time

It's never the same tomorrow
And tomorrow's never clear
So come on, come on you know
Our time, our time is here

We know but we're not certain
How can we be, how can we see what's ahead
The road keeps on turning
And all we can do is travel each day to the next

Come on, come on you know
It's your time to move, it's my time move
Come on, come on let go
Leave it all behind your past and mine

Gone are the days of the summer
We couldn't change it if we tried
Why would we want to, let's go where we got to
Our paths will cross again in time

It's never the same tomorrow
And tomorrow's never clear
So come on, come on you know
Our time, our time is here
Yeah, come on, come on our time is her

Gone are the days of the summer
We couldn't change it if we tried
So come on, come on, come on
Come on, come on, come on
So come on, come on you know
Our time, our time is here
