### Can't Swim

Stay the same, stay the same  
You're gonna throw it all away  
Play the game, play the game  
The bottom's where you're gonna lay  
Pick a sound, do it right  
Same old message every night

Weren't we promised more?

Get in line, get in line  
Glorify monotony  
Do your time, do your time  
Crucify integrity  
Listen up, hear me now  
This has got to stop

Weren't we promised more?

I'd rather fucking hang myself

Stay the same, stay the same!
