

# Give Me No Roses

Can

You said you were falling from grace for too long,  
Nothing was stronger, just I growing strong.  
Are you here to stay with the flows in your head and using your bed  
And the mind to blow the day, growing strong, strong, going strong, oh yeah?

Why don't you tell me?

Give me no roses and tell me no lies,  
Give me no roses, yeah,  
Give me no roses and tell me no lies,  
Give me no roses, yeah,  
Give me no roses and tell me no lies,  
Give me no roses, yeah,  
Give me your sweetheart and your cause,  
Give me your sweetheart,  
Give me your sweetheart and your cause,  
Give me your sweetheart,  
Give me no roses and tell me no lies.

Go away,  
You wanted that thing,  
All the trouble bubbling was a, was a thorn rose you bring.  
Yes, I heard you  
With your good luck charm  
And your long time smile  
With your merry man mood and your,  
And your sweet, sweet talking talk,  
I tell you

Your mind is your partner and tell me no lies,  
Your mind is your partner, yours alone,  
Your mind is your partner and don't you blame me,  
Your mind is your partner.  
Your mind is your partner and tell me no lies,  
Your mind is your partner.  
Give me your loving, break it all through,  
Give me your loving,  
Give me your loving, break it all through,  
Give me your loving.

No, you're bad, girl,  
You wanna get back,  
All the trouble bubbling,  
With a song I still pray  
With your good luck charm,  
Your all-time smile,  
With your merry man mood  
And your sweet, sweet talking talk,  
But I tell you

Give me no roses and tell me no lies,  
Give me no roses, yeah,  
Give me no roses and tell me no lies,  
Give me no roses, yeah,  
Give me your sweetheart and your cause,  
Give me your sweetheart,  
Give me your sweetheart and your cause,

Give me your sweetheart,  
Your mind is your partner and yours alone,  
Your mind is your partner,  
Your mind is your partner, so don't you blame me,  
Give me no roses,  
Give me your loving, break it all through,  
Give me your loving.  
Give me your loving and tell me no lies.

Your true loving is all I need,  
Give me no roses and tell me no lies.
