I saw mushroom head
Well, I saw mushroom head
Well, I saw mushroom head
I was born and I was dead
I was born and I was dead

Well, I saw mushroom head
Well, I saw mushroom head
Well, I saw mushroom head
I was born and I was dead
I was born and I was dead

I'm gonna give my despair
I'm gonna give my despair
I'm gonna give my despair

Well, I saw skies are red
Well, I saw skies are red
Well, I saw skies are red

I was born and I was
I was born and I was dead
I was born and I was dead
I was born and I was dead
I was born and I was dead
I was born and I was dead
I was born and I was dead

Well, I saw mushroom head
Well, I saw mushroom head
Well, I saw mushroom head
Well, I saw mushroom head
I was born and I was dead
I was born and I was dead

I'm gonna give my despair
I'm gonna give my despair
I'm gonna give my despair
I'm gonna give my despair

Well, I saw mushroom head
Well, I saw mushroom head
Well, I saw mushroom head

I was born and I was dead
I was born and I was dead
I was born and I was dead

Dead
Dead, dead, dead, dead, dead, dead
Dead, dead, dead, dead, dead, dead
Dead, dead, dead, dead, dead, dead
Dead, dead, dead, dead
Dead, dead, dead, dead
Dead, dead, dead, dead
Dead, dead, dead, dead
