

Dancing Is Fun

Cancerslug

This is your love song
You can dance to it if you want
Your f*cking love song
Dance to it if you want
Go on and stab your dickless daddy
Laugh as he tries to escape
Punch your dumb whore mother in her mother
f*cking face
Say here is your love song
Dance to it if you want

Here is your love song
You can dance to it if you want
Your f*cking love song
Dance to it if you want
And if you're getting tired of thinking
Go and find yourself a gun

Rob a bank
Send me the cash
And when the pigs come
Say here is your love song
you can dance to it if you want
Bang bang

f*ck you
And f*ck your mother
Motherf*cker
Shut your dumb cocksucker
Because I don't need nobody to tell me how to
dance to my song
Kill yourself
Trust me it's easy
You have no idea how many kill for me
A death cult of cold hearted bastards
And we have only begun
Dancing is fun
