

Deadbeat

Cancerslug

I am just a f*cking deadbeat
You can't trust a f*cking deadbeat

I woke up today on the wrong side of hell
You best remember my name boy

I am just a f*cking deadbeat
Never trust a f*cking deadbeat

I swam up through the pain and the hate I know

so well
I've got the blood of a snake

Boy I am a deadbeat
Just a deadbeat
f*cking deadbeat
Goddamn deadbeat

Deadbeat
Deadbeat
Deadbeat
Deadbeat

I am just a f*cking deadbeat
You can't trust a f*cking deadbeat
Deadbeat
