

## Hung Like Jesus

Cancerslug

All the little girls that I see  
Gonna get down on their knees to pray  
'Cause I'm hung  
Hung like Jesus

To get to heaven you ain't gotta die  
Just bend over and let me inside  
'Cause I'm hung  
Hung like Jesus

I'll be your savior in the streets  
A freak under the sheets  
Kneel down and witness this immaculate erection baby

Believers don't you be ashamed  
To scream out daddy's name  
I'm gonna take you where the wine and honey flows forever

All the little girls that I see  
Gonna get down on their knees to pray  
'Cause I'm hung  
Hung like Jesus

To get to heaven you ain't gotta die  
Just bend over and let me inside  
'Cause I'm hung  
Hung like Jesus
