

## Time Has Come

Cancerslug

(One, two, three, four!)

Don't be afraid I'm gonna be your man  
Tonight  
Just open up your heart and let my darkness in  
It's gonna make everything alright

I've heard your voices calling to me all my life  
Can't you feel these spirits passing through me  
It's such a lovely way to die

Now the time has come to join our coven  
Now the time has come to be someone  
Now the time has come to join our coven  
Now the time to make the world undone

Like the snakes in the dark, we will shed our skins  
Tonight  
Spilling blood, changing shapes, now the fun begins  
You can be my sacrifice

Just watch the blood drain from the alter to the floor  
And I hope  
You don't take this the wrong way  
I can't wait to f\*ck your corpse  
Now the time has come to join our coven  
Now the time has come to be someone  
Now the time has come to join our coven  
Now the time to make the world undone

Time has come for you to join our coven  
Time has come for you to be someone  
Time has come for you to join our coven  
Time has come to make the world undone

Time has come for you to join our coven  
Time has come for you to be someone  
Time has come for you to join our coven  
Time has come to make the world undone
