Hoka-hey, your life is bringing you questions...
Hoka-hey, your life is bringing you lies...
Hoka-hey, today is a good day to die...
Hoka-hey, your life is passing you by...
Hoka-hey, your life is bringing you sorrow...
Hoka-hey, your life is wasting your time...
Hoka-hey, today is a good day to die...
Hoka-hey, your life is passing you by.
