

I Missed The Target Again

Candi Staton

Shot around the curve, shot around the Ben
Aimed for the skies seemed like no end
I missed the target again
I missed the target again

Hallelujah, hallelujah
Hallelujah, hallelujah
I missed the target again

I feel like I'm dreaming most of the time
I know what I want by I can't seem to find
I missed the target again
Yes I did, I missed the target again

When will I see what I've been praying for come through
Things I'm believing for to make my dreams come true
Maybe it's now or maybe it's never
Maybe it's when I get to heaven
I'm gonna hit that target and win

Hallelujah, hallelujah
Hallelujah, hallelujah
I missed the target again

I'll never give up, or throw in the towel
I'm gonna keep on pushing, it might take a while
I'm gonna hit that target my friend yes, I will
I'm gonna hit that target my friend

Hallelujah, hallelujah
Again
Hallelujah, hallelujah
I missed the target again

Hallelujah, hallelujah
We are winners
We gonna win every time
Hallelujah, hallelujah
We are winners
We are winners
We gonna win every time

Hallelujah, hallelujah
Hallelujah, hallelujah
I missed the target again

Keep on pushing...
Don't stop trying ...

I missed the target again

Don't give up
Keep on trying
I missed the target again

I missed the target
I missed the target

I missed the target again
