

My God Has A Telephone

Candi Staton

Oh, ah

When I need a small reminder
When my legs can't find the road
When I'm heavy with my burden
So, my back is tired and bow

Got these questions I collected
He brings the answer to my ear

Oh, Lord

My God has a telephone
Hear it ringing in the morning
My God has a telephone
Hear Him calling out a warning

It may be long-distance
But I want you to know there ain't no fear
All it takes is a little persistence
And He's on the line with me

Yes, He is

You can reach Him any hour
And His voice is loud and clear

Yes, it is

Call him up
Feel the power
Even the deaf men begin to hear

In the spring or the fall
I hear his call

To put my faith over fear

My God has a telephone
He's got a telephone
Call Him up

It don't matter
To answer your call

My God has a telephone
