

Suspicious Minds

Candi Staton

We're caught in a trap
I can't walk out
Because I love you too much, baby
Can't you see
What you're doing to me
When you don't believe a word I'm saying?

We can't go on together
With suspicious minds
And we can't build our dreams
On suspicious minds

So, if an old friend I know
Drops by to say hello
Would I still see suspicion in your eyes?
Here we go again
Asking where I've been
Can't you see these tears are real
I'm crying

We can't go on together
With suspicious minds
And we can't build our dreams
On suspicious minds

Oh, let our love survive
Or dry the tears from your eyes
Don't let a good thing die
Honey, I've never lied to you

I'm just caught in a trap
I can't walk out
Because I love you too much, baby
Can't you see
What you're doing to me
When you don't believe a word I'm saying?

We can't go on together
With suspicious minds
And we can't live our lives
With suspicious minds

We're caught in a trap
I can't walk out
Because I love you too much, baby
Can't you see
What you're doing to me
When you don't believe a word I'm saying?
