

# Uncloudy Day

Candi Staton

They tell me of a place far beyond the sky  
They tell me of a home far away  
Oh, they tell me of a place where we'll never die  
Oh, they tell me of an uncloudy day

Oh, the length of a cloudless day  
Oh, the length of an uncloudy day  
They tell me of a place where we'll never die  
Oh, they tell me of an uncloudy day

They tell me of a place where my friends have gone  
And I know they are waiting for me there  
Hmm, one day I'm gonna meet them when this life is over  
In a city that is built foursquare

Oh, the length of a cloudless day  
Oh, the length of an uncloudy day  
They tell me of a place where we'll never die  
Oh, they tell me of an uncloudy day

Oh, they tell me of an uncloudy day  
Oh, they tell me of an uncloudy day

They tell me of a king that sits on a big white throne  
And one day my eyes shall behold  
Oh yes, he sits on a throne just as white as snow  
In a city that is made of pure gold

Oh, the length of a cloudless day  
Oh, the length of an uncloudy day  
They tell me of a home far beyond the sky  
Oh, they tell me of an uncloudy day

Oh, the length of a cloudless day  
(I'm talking about the length, yeah)  
Oh, the length of an uncloudy day  
They tell me of a place where we'll never die  
Oh, they tell me of an uncloudy day

Oh, they tell me of an uncloudy day  
Oh, they tell me of an uncloudy day

Oh, they tell me  
No more sickness  
No more sorrow  
No more pain  
No more depression  
No more confusion  
Nothing but joy  
Nothing but peace  
Nothing but love  
No hate between races  
Oh, they tell me  
Don't you wanna go  
Don't you wanna go  
Don't you wanna go  
Don't you wanna go

Come on and go with me  
Just go with me  
Just go with me  
Oh, I want you there  
Oh, they tell me  
I'm gonna see Jesus  
I'm gonna see Jesus, oh yeah
