

Fallin'

Candice Alley

I see it in your eyes,
It's not the way I feel inside.
And I wonder why,
It has to be this way now.
I don't know what's real,
won't you tell me how u feel.
You can live your life,
Everybody want to say goodbye

And I wonder why (why) I'm fallin'
And I wonder why I'm off the ground
Don't you ask me why?
I'm letting go of my head
Coz I'm fallin'

If you could only see,
All the tears that are fallin'.
And the answer that I need,
And everybody's tellin' me:
I don't know what's real.
Won't you tell me how you feel?
You can live your life,
Everybody wants to say goodbye

(Why I'm fallin'...I'm off the ground)

Coz I'm fallin'

Try to close my eyes
And I see you in my mind
And I wonder why
We have to leave it all behind.
I don't know what's real
Won't you tell me how you feel?
You can live your life
Everybody wants to say goodbye

Why I'm fallin'
