

Riptide

Candlebox

I don't really wanna live
Bearing something I can't let go of
Can't let go of
And I don't really wanna live
Chasing something I can't catch hold of
Can't catch hold of
I, I was caught in a wave
And I, I thought nothing would change

But right then
Baby, baby you have found me
Hanging on for dear life, dear life
But right then
Baby, baby you have found me
Caught inside a riptide

And I am barely living life
Drowning on my own, I
Can't let go, I can't let go
And I don't really wanna fight
Crashing on the inside
Oh, I can't let, can't let go
I, I was caught in a wave
And I, I thought nothing would change
Nothing would change

But right then
Baby, baby, you have found me
Hanging on for dear life, for dear life
But right then
Baby, baby you have found me
Caught inside a riptide
Pulling me out, pulling me out, pulling me out
I said na-na, na-na-na-na-na-na
Na-na-na-na-na-na
For dear life
Oh baby, I was dying
So just you keep holdin' on and holdin' on and don't let go
Oh baby, I been tryin'
So just you keep holdin' on and holdin' on and don't let go
Don't you let go

And I don't really wanna live
Bearing something, I can't let go of
Baby, baby you have found me
Hanging on for dear life, for dear life
But right then
Baby, baby you have found me
Caught inside a riptide
Pulling me out, pulling me out, pulling me out
I said na-na, na-na-na-na-na-na
Na-na-na-na-na-na
For dear life
Na-na, na-na-na-na-na-na
Na-na-na-na-na-na
For dear life

Oh, baby
Baby, you have found me, yeah
For dear life
Oh, baby
Caught inside a riptide, yeah
For dear life

I'm sayin' na-na, na-na-na-na-na-na
Na-na-na-na-na-na
For dear life
Na-na, na-na-na-na-na-na
Na-na-na-na-na-na
For dear life
Riptide

Oh, baby
Baby, you have found me
Oh, baby
I'm caught inside a riptide
For dear life
