

## Channel Zero

Canibus

Approximately fifty years ago  
under the direction of President Harry Truman  
and in the interest of national security  
A group of twelve top military scientific personnel were established  
This group's primary objective  
was to desensitize us to the truth  
And to suppress the material evidence that our planet is being visited  
by a group of extraterrestrial biological entities called the grays

Tune in to channel zero (8x)

Yo, sometimes the road to the truth is, so elusive it's confusin  
And reality becomes illusion  
If I showed the masses where we was at or where we was goin  
I'd shatter the social balance of the world as we know it  
I'm talkin bout the grand deception, of 1947  
When our souls were sold to the heavens  
for technologically advanced weapons  
Crystal enhanced, brain implants, and mind control methods  
MJ-12 is not majestic  
And the focal point of our problems on this planet are not domestic  
You can accept it or be stupid and be a skeptic  
and fail to recognize the secret society's deathwish  
Ninety-seven percent of our Presidents were Masons  
Responsible for launderin trillions of dollars from the nation  
for the construction of underground military installations  
Abductions and cattle mutilations  
Experiments on human patients  
can take place in several subterranean bases  
A hundred and fifty stories below a basement  
With knowledge of genetic information, you need to fear science not Satan  
Cause through the manipulation of certain biological agents  
they create strange creations  
Top secret special operations  
Low frequency sounds and lasers, people like Carl Sagan  
that didn't believe in the Drake equation  
were tryin to keep Western civilization on the need-to-know basis  
Well you need to know that this is a game  
and we're bein betrayed and played in the worst way

Tune in to channel zero (8x)

Yo, the holy script from Genesis 1-26  
says, "Let us make man in our image under our likeness"  
First of all who's THEY? You see if God  
was truly a single entity that's not what he would say  
We as the Elohim, Gods and Goddesses  
posess a marvelously monstrous subconscious  
Lifeforms that speak, in very high pitched sounds and squeaks  
Short staccato clicks and beeps  
A highly advanced form of speech  
Even though to us it seems like they only chatterin they teeth  
They used to swim deep in the oceans beneath  
Til they fins transformed into limbs and they started to creep  
Then they evolved into mammals with feet  
And walked right from the shorelines onto the beach  
They used gravity, cause it's actually the only force around

that could slow time and the speed of light down  
The energy grid network, opened the gateway from Earth  
to any point in the universe  
Livin organisms and various, geomagnetic gravitational, anomaly areas  
Space expedition teams in the lunar regions  
reported seein, decapyramids and tetrahedrons  
Liquid filled shoes, is what they used  
to walk across the moon without leavin a clue  
of where they been for the past twenty-three billion years  
Before life on the surface even appeared  
I hope you become aware what I'm spittin in your ear  
was intended to stimulate your left-brain's hemisphere  
I know it sounds weird, all these motherfuckin answers  
and questions to the grand deception
