Yea, "Father Author, Poor Pauper", Yea (More than a microphone monster)

Once a upon a midnight dreary Being blackballed by the music industry prepared me In the past albums were made, put on the shelf I was never paid or given a wealth Who can I blame but myself? No one I followed my azimuth then transit on a path from apprentice to master My testimony any place at the top is lonely Ask me what I cherish mostly, no matter what I say is poetry The way I walk, the way I talk, the way I fought The way I won, the way I lost, the way I thought When they tried to play me out as a man The way it felt takin' showers in the sand with a fuel can Wakin' up in the middle of the night I can't breathe right, I can feel my heart beat spike "Father Author, Poor Pauper" use to be a war monger I promised the Lord I will not tour any longer Pardon the The Poor Pauper with nothin' to offer from his coffin Caughin' up a mouthful of a volcanic sulfur Feast your eyes on the awesome mechanics of the metallic saucers Flown by man, I bet you thought it was the Martians Since "Channel Zero" I tried to do somethin' to save you But you threw away the jewels I gave you When you're ready to move to the mouth it'll be too late too That's why I pray for you My words appear clear but true meanin' is lost Why would an emcee like that even talk? Clear your mind, clear your thoughts Throw away everything you bought And kneel before the Ark YOU DON'T!, you knew you should but you won't Any artist will become lethargic from weed smoke I don't go to malls 'cause I don't like shoppin' I can't buy clothes when the Manikin's are watchin' Overspecialization doesn't require special explanation The information is my interpretation I sit down at the table and make it Through a series of musical, lyrical and compositional arrangements I'm disinfatuated, you rappers are overrated For the music you're makin', it sounds foolish and basic Thread by thread the poem is woven, the book is open You were ordered to show him, than the words are spoken Civilization is fragile, so is life there in battle So is nature when surrounded by the unnatural Walk through the doors of Langley Headquarters My logo is in the floor etched in marble Behind the rose line, morals and dogma of rhymes to climb One of three peaks of Mount Hermon there in my lifetime The rhymes is 3 point 1 4 5 9 2 6 5 3 5 8 9 Same morning that the Can-I-Bus album came out I got a text from The NSA that said "They'd take me out" Kabbalah Math was all I had My wife and child were both killed in a helicopter crash Eight months passed, I'm in Walter Reed with a rare fungus rash

I told them "Fuck the cash" Just give me somethin' for the pain

My brain 'bout to bust vein
They said "You've been through enough Germaine"
I tried to sit up but can't get up
This sucks, "Father Author, Poor Pauper" can't give up
The Biomarker lit up
