

Three Morpheus, I'm glorious, notorious  
Knowledge is infinite, I live in the Fortress of Friendship  
Poetic penmanship, the phrenology of a mentalist  
Free exhibition for benefit  
Been getting bands off 16s since 19  
I was rolling on 20s in 20 with high beam  
Free run, jump the gun, freeze motherfucker, I'm done  
You still learning how to use your lungs  
The honest free man's respect played my mysterious death  
Money, murder, mayhem, a mess  
Freedom, freedom forgive, sure feel free to confess  
You are rewarded stress free recess  
Freedom, freak the funk, Hip-Hop free to say what you want?  
You can flop but you better not flunk  
Gold fronts, come here you, go to the front  
You get everything for free 'cause you ain't got no funds  
10,000 feet forward flight cabin, red light beep  
The flight Captain say a prayer for the sheep  
The secrets of free literature e-readers  
We listen through the loud speakers of FEMA  
BF champ, free range chicken soup cans  
Ambush, I had the fireman carry yours fans  
Freelance dead bodies laid across the land to feed ants  
They said it was a freak accident  
Free money out the bank, of course they was free to say thanks  
You might as well freefall off a plank  
Like T-Roy, Heavy D b-boys, this feels pre-recorded  
We are exploited by Freakazoid! Gloria  
Pre-approved, free is illusion, just freaking confusion  
Free music, I was free to use it  
Don't be foolish, productivity doesn't mean it's free to produce it  
You figure we should go forward or remove it  
Fancy pants got to pay Fandango in a van  
Bitch, your mini van, nigga must be in France  
Free roamer, free to talk to the police  
Focus [?] emotion  
You are free to choose your associates
