Get ready for the Luminati tsunami C.4 Eat meat raw Street dawgs Rip these off And put C's on Had to ease off From a show I just peed on Bought a two-seater that I put 10G's on Beat her Cause she took my mother fuckin ring off She took me to Supreme Court And the judge got screamed on They sent me up North To a prison with a All day long Lift weights we Meet King-Kong, Big Don, and Little Shawn Murda One got big arms He real strong Beat his own mom 'cause she stole from the weed farm Word on the streets Don't beef with Armstrong Wrong season Lou crush anything he breathes on Pass me the paper and pen And put beats on Rip rap songs Yo! You mess with my horse You dead as a corpse Forget it Rhymes without ending With infinite lyrics Fools you do get abused like broads In a battle for truth with rhymes and metaphors When my horse appears Count your prayers Stab you in the ear Then pull out the spear Watch the crowd cheer Leave the floor wet With all the blood stains So the audience knows The Canibus runs things I rip down stages On many occasions Dozen of broken down mics and melted tape decks Everywhere I go niggas wanna rob me Bootleggers be in the front row Trying to get a clear copy So take caution Cause I'm a horseman And I'll snatch that ass up quick like "turn it off man" So just acknowledge The way that I'm gifted

Cause if rap was a felony I'd be in prison Hogging up the phone Cussing at the C.O's 25 to life With no parole When battling me You must be feeling yourself I rip the jacker so hard He might kill himself Like his name was Todd or James Back in the dark days It's like a pit bull getting bit by a Shar-Pei I defend my horse, my men, my friends My baby's momma And my offspring So bring it on then So I can show you how I devour Niggas like a rottweiler with acidic saliva Step ya shit up Nigga The rippa's much iller Cause when I write rhymes I use the mind to pick the pen up Most artists are garbage No skills They belong in a landfill Nobody feels it when the grab the mic (let me hear something else) And start bragging about their massive ice I can't eat MC's 'cause I lost my appetite I'm a beast You a midget With wack lyrics Like doctor evil said (quiet, shut up, zip it) I rain superior My metaphors are scarier Non-ill rappers You better evacuate Before I exfoliate your face With abrasive phrases To give your face a face-lift Germane spits insane shit So stop hating if you cant applaud me And give rap music the glory

'C' - True Hollywood Story
