It's like I just woke up in (Rome)  
Everything around me say this country is (Rome)  
You bring it back to gold standard like this is (Rome)  
And [?] kill you right in the street like this is (Rome)  
And now we got women catchin' plague like (Rome)  
Armies killin' people for religion like (Rome)  
Fuckin' politicians touchin' kids like (Rome)  
Police come get you right where you live like (Rome)  
Horses and chariots (Rome) Judas Iscariots (Rome)  
Gladiators in the streets battle to the death (Rome)  
We all carryin' (Chrome), turn you to (Chrome)  
Leave you where you stand let another man clean the mess (This is Rome)  
The gods wage wars in the sky (This is Rome)  
The men on the ground with the pestilence and flies (This is Rome)  
The plague is in the water supplies (This is Rome)

It's time that the great beast dies (This is Rome)  
Welcome to the feast you swines (This is Rome)  
Entrance has made you mines (This is Rome)  
Now you'll all exit my bowels at the same time (This is Rome)  
We ain't time travelin', we talkin' 'bout the time we livin' in  
This modern roaming empire underneath Caligula  
Close your eyes envision it  
You can see imperial police in the streets beatin' pleebs out their innocence  
Welcome citizen, you can pay your penance to the Emperor now or get put with  
the prisoners  
Are you listenin'?  
Do what you are told or what you are told will be done to you, simple wisdom  
it  
City sprawlin' with soldiers on war horses  
With chest armor armed forces for official employers  
Roman source patrol off on the dogs roaming remorseless  
'Cause job shortage makes some rob to recoup losses  
Full equipped with gods on high cliffs  
Bombs from drone ships, it's lightning from Zeus' fist  
18 A-list VIP as it gets  
'Cause pirate computer mix worth a trillion bits  
2016, rulers with big dreams

One world, one Roman government, one currency  
One slave populace from one goddess' ovaries  
One love motherfucker and it ain't for you or me  
Totalitarian, barbarian  
Motherfucker this is Rome say the name again  
You got a favorite sin? Go commit it then  
Livin' ain't safe in Rome, but we don't give a shit (This is Rome)
